HD7478/20

# Highlights

## Thermal jug

The unbreakable stainless steel thermal jug of this Philips coffee machine maintains perfect temperature and aroma for hours.

## Drip stop

Drip stop to interrupt coffee brewing whenever you want to pour a cup of coffee

## Water level indicator

Philips has developed an innovative water level indicator, allowing you to follow easily how many cups you filled in the water tank.

## Direct auto shut-off

After brewing your filter coffee, the Philips coffeemaker switches off automatically. The thermal jug will ensure that the coffee stays warm for a long time.
